How am I an expert right now, in this moment? (Yes, you are.)
How does my expertise help people right now, in this moment?
Experts don't know all the answers, they're not supposed to. In that spirit, what QUESTIONS do you have within your area of expertise? How can you go about getting them answered?

swer? What can you do to find it?	

Where have you been stumped recently? What do you want to do about it?
